Fax number: +353 1 450 2947

E-mail address: hello@brogabrothers.com

Emergency information:

International emergency number:

Telephone: +353 1 450 1988

2. Hazard identification

Classification of the substance or mixture: Not classified

Label Elements:

Labeling according to Regulation (EC) No 1272/2008: NO

Signal word: -

Hazard pictograms: -

Component(s): -

H - phrases: -

P - phrases:

P102: Keep out of the reach of children.

P301+ P312: IF SWALLOWED:

Call a POISON CENTER or doctor / physician if you feel unwell.

Special markings:

Although this product is not subject to labeling requirements, we recommend that you follow the safety recommendations.

The above labeling is valid when delivered to private end-users.

Other hazards

This mixture does not contain substances classified as PBT or vPvB

3. Composition/information on ingredients

Chemical characterization:

Water mixture of waxes, additives and pigments as wax.

Substances:

INCI or Trade Name	CAS No.	EC No.	% by weight	Symbols	R / H Phrases
-	-	-	-	-	-

Do not allow to enter public sewers and watercourses. If polluted water reaches drainage systems or water courses, immediately inform appropriate authorities.

Methods for cleaning up or taking up:

Take up mechanically and dispose of according to local/state/federal regulations. Absorb with a liquid binding material such as diatomaceous earth and dispose of state/federal regulations.

7. Handling and storage

Handling procedures:

No specific usage precautions noted.

Storage procedures:

Protect from direct sunlight.
Keep in a cool, dry, well ventilated place.
Keep out of reach children.

8. Exposure controls and personal protection

Respiratory Equipment:

Respiratory protection not required

Hand protection:

Hand protection not required.

Eye Protection:

Not relevant.

Hygiene Measures:

Wash hands after handling

9. Physical and chemical properties

Appearance:	Cream	
Colour:	All Colours	
Odour:	Characteristic and Nice	
Density:	~0,99 g/ml (20 °C)	TS EN ISO 2811-1
Melting Point:	N/A	
Flash point:	-	
Ignition temperature:	-	
Solubility in water:	Miscible	
pH-VALUE:	7,0-8,0 (1% solution in water at 20 °C)	

10. Stability and reactivity

Stability:

Stable under normal temperature conditions and recommended use.

11. Toxicological information

According to present experience the material is physiologically compatible.
According to present experience the material is neither mutagenic, cancerogenic nor teratogenic.
This product don't include heavy metal and cancerogenic dyestuff.

12. Ecological information

Not regarded as dangerous for the environment.

13. Disposal considerations

Dispose in accordance with local authority regulations.
Plastic containers may be recycled or re-used. Observe local/state/federal regulations.

14. Transport information

Not classified as hazardous for transport.

Land Transport ADR / RID

The product is not covered by international regulation on the transport of dangerous goods.

Sea Transport IMDG

The product is not covered by international regulation on the transport of dangerous goods.

Air Transport IATA/ICAO

The product is not covered by international regulation on the transport of dangerous goods.

15. Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture :

Approved Code Of Practice

Safety Data Sheets for Substances and Preparations.

Guidance Notes

Workplace Exposure Limits EH40.

EU Legislation

Regulation (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006 with amendments.

Chemical Safety Assessment

No chemical safety assessment has been carried out.

16. Other information

H - phrases:

-

P - phrases:

P102: Keep out of the reach of children.

P301+ P312: IF SWALLOWED:

Call a POISON CENTER or doctor / physician if you feel unwell.
